NEWS AND VIEWS...

And What Have You

By BOB CRAIG

As one who has always considered myself a sports fan, I am beginning to have my doubts. Oh, I still get just as big a charge out of high school athletics as I always have, but I find myself less and less interested in big time sports.

Apparently I am not alone in my boredom with too much of a good thing in the way of TV sports (I say TV sports because that is the way most of us in West Texas get our exposure to big time sports). Melvin Maddocks, writing in The Christian Science Monitor, takes a long look at the problem and comes up with some interesting observations.

His column, entitled "Overworking at play?" follows:

Sports fans by choice are grumblers, worrying their bones-of-contention as happily as a terrier pretending to be fierce. But the grumbles heard from fans these days—that all the fun-and-games suddenly seem to be more games than fun—are another matter. Something like a case of sports-blahs threatens to become as common as boos from the bleachers on a Saturday afternoon; and the blahs are a lot more sincere.

A grumble-analyzer can break down the general despondency into three specific complaints:

1. In an age otherwise known for its shortages, sports have produced a surplus—indeed a glut.

Old leagues expand. New Leagues are invented.

In Detroit three teams—the Wheels (football), the Stags (hockey), and the Loves (tennis)—came and went before anybody sorted out which was which.

At the rate that new professional sports are being introduced, like soccer and lacrosse, we can expect the World Series of

DAC Presents New Flag for JH School

Seven members of the William Norwood Chapter of the Daughters of the American Colonists (DAC) in Abilene were in Hamlin for the presentation of a new nylon American flag to Marvin Carlton, principal, for the junior high school.

The DAC chapter volunteered to purchase the flag after learning of the March 26 fire which destroyed the junior high school. The flag will be used when a new building is built, Carlton said.

Here for the presentation made at the high school building were Mrs. Custer Russell, chapter bicentennial chairman; Mrs. George Likins, chapter librarian and patriotic education chairman; Mrs. P. M. McKee, chapter regent and state registrar; Mrs. R. W. Norwood, chapter chairman for historical markers; Mrs. M. J. Wingo, colonial courier chairman; and Mrs. Henri Gay Ison, chapter recording secretary. Miss Florine Tye was a guest.

The DAC has only 650

members in the state of Texas. Members must have ancestors that rendered a service to the establishment of the colonies, all prior to July 4, 1776. There are 26 categories in which an applicant may apply furnishing proof of her lineal descent through legal and lawful marriages.

Mrs. McKee said "The object of this Society shall be patriotic, historical and educational; to make research as to the history and deeds of the American colonists and to record and publish the same; to commemorate deeds of colonial interest; to inculcate and foster love of America and its institutions by all its residents; to obey its laws and venerate its flag—the emblem of its power and civil righteousness."

No Paper Next Week

There will not be a Herald next week, according to Publisher Bob Craig. In making the announcement he said that this week's issue has been combined with next week's in order to give both the staff and management of the Herald a vacation.

The Herald office will be closed Friday, July 4, and will re-open Monday, July 14.

Anyone having news stories for the July 17 issue is urged to either mail them to Box 339 or bring them to the office on Monday, July 14.

Bake Sale Planned

The Nazarene Teen Group will have a bake sale Thursday at 9 a.m. in front of Piggly Wiggly Supermarket on West Lake Drive.

Anyone wishing to contribute a cake, pie or other baked items may call 576-2297, 576-2259 or 576-3575.

Lindsey Resigns As Jones County Attorney Monday

Bob Lindsey of Abilene submitted his resignation as Jones County attorney Monday morning to the Jones County Commissioners. Raymond Hollabaugh of Stamford was sworn in as his replacement at 10 a.m. Tuesday morning.

Lindsey, whose resignation became effective immediately, told the Abilene Reporter-News that his resignation was due to "personal" reasons.

He was appointed county attorney in February to fill out the 1975-76 term of A. J. Smith who resigned the office due to ill health. Lindsey, 36, said he recently became associated with the private law firm of Clement and Morton of Abilene.

Hollabaugh is presently serving as Stamford City Judge and is associated with

the Stamford law firm of Andrews and Andrews.

He is a 1951 graduate of Stamford High School and graduated from North Texas

State University in 1958. He studied law at South Texas College of Law in Houston and was admitted to the bar in 1964.

He married the former Elizabeth Sirman of Corrigan in East Texas. They have two children, Raymond Jr. and Sirman.

CHANGE OF LEADERSHIP—Ed Gardner, left, passes the gavel to Charles Absher, incoming president of the Hamlin Rotary Club at the Wednesday luncheon after new officers were installed by John Howard. Other officers are, from left, Joe A. Simpson, secretary; Charles Wesbrooks, vice president; Lewis Earl Madden, R. Y. Cloud and Archie Tomlinson, all directors. Not pictured is M. S. Johnson, director. Absher assumed the responsibilities of the office July 1.

Pentecostal Church Sets Revival Here

A summer revival at United Pentecostal Church 219 N. E. Ave. B, will open Monday evening at 7:30 with services to be continued nightly for about two weeks. A time for the closing of the revival has not been set, according to the pastor, the Rev. Jimmy Skiles.

The Rev. and Mrs. James Zedlitz of Snyder will be conducting the services.

The public is invited to attend.

Traffic Accidents May Claim 54

AUSTIN — The director of the Texas Department of Public Safety today estimated that traffic accidents in the state over the July 4th holiday weekend will claim 54 lives.

Colonel Wilson E. Speir said his department expects travel will be heavy in Texas over the holiday period "particularly in and around recreational areas" such as lakes and beaches.

He added that the estimate covers a 78-hour period starting on Thursday at 6 p.m. and counting until midnight Sunday. Last year during a 102-hour Independence Day celebration,

46 persons were killed in traffic mishaps in Texas.

Speir also pointed out that highway traffic deaths are about 25 per cent over the total at this time one year ago. "This is due to increased travel and somewhat higher speeds," he added.

RAINFALL

In the monthly report of rainfall for June in Hamlin made by Bill Rountree to the National Weather Service, only .24 was recorded.

Of this amount, .16 was recorded June 8 and .08 on June 11. A trace was noted on June 14, 21 and 27.

In a concerted effort to help keep deaths down, the DPS and local law enforcement agencies will be cooperating in the all-out effort to make the streets and highways as safe as possible. All available DPS troopers will be on duty, Speir said, and they will be especially watchful for drinking drivers, speeders and persons driving in a reckless manner.

In addition, the DPS will be working with the news media in a special public education program termed "Operation Motorcade" which focuses public attention on where and why fatal accidents are occurring during the holiday.

CAPITAL HIGHLIGHTS—

Briscoe Vetoes College 136 Building Projects

AUSTIN — Gov. Dolph Briscoe's veto of 136 college building projects (which he estimated would cost more than \$1 billion) may be the subject of a court case.

University of Texas Board of Regents Chairman Allan Shivers said UT regents will defy the veto and go ahead with at least two of the rejected projects.

Shivers claims the veto is unconstitutional. He said the attorney general long ago held the governor cannot veto appropriations bill riders which do not call for specific expenditures.

The chairman further contends that UT projects will be financed with constitutional funds which cannot be controlled by an act of the legislature.

Briscoe maintains that UT, like other schools, must get College Coordinating Board approval of its construction projects under a new law—or specific legislative approval. He voted the projects, in the first place, because he interpreted them as an effort to bypass the new statute by a subterfuge prior legislative approval through the appropriations riders.

State Comptroller Bob Bullock has indicated he will approve none of the UT building project vouchers in controversy without an attorney general's opinion. It has been hinted regents may seek a declaratory judgement in court to uphold their position.

CAMPAIGN BEGINS

Campaign for adoption of the proposed new state constitution November 4 already is shaping up.

Former Texas Supreme Court Chief Justice Robert W. Calvert will lead the drive for voter support.

Top officials who are supporting the new charter include Lt. Gov. Bill Hobby, House Speaker Bill Clayton, Atty. Gen. John Hill and Supreme Court Chief Justice Joe Greenhill.

Governor Briscoe did not attend the initial meeting to kick off campaign plans. He made clear later that he has not made up his mind whether or not to support the revision. He has never been a supporter of annual legislative sessions, Briscoe reminded. The new constitution would provide for annual legislative sessions. It also would broaden powers of the governor considerably.

COMMITTEE RECESSES

A House committee studying possible impeachment proceedings against 29th District Judge O. P. Carrillo recessed until July 9 to allow its staff time to catalogue evidence.

Chairman Rep. De Witt Hale of Corpus Christi said he is hopeful the committee will complete its work and vote on its recommendations by August.

If the committee recommends impeachment, the House will convene three weeks later to hear the case. Should the House vote articles of impeachment, the Senate then must "try" the case. A two-thirds majority would be necessary to impeach.

COURTS SPEAK

The State Supreme Court upheld an intermediate court judgment dissolving an injunction by Judge O. P. Carrillo against oil operations

on the Clinton Manges Duval County ranch.

The Court of Criminal Appeals affirmed a life sentence given a Laredo rancher in the 1972 shooting of five Mexican aliens on his ranch.

A \$535,866 judgment for a truck driver who was disabled when he ran into a train on a foggy night was upheld by the Court.

Truckers' \$363,646 breach of contract suit verdict against the Houston Chronicle was affirmed by the Supreme Court. At issue was an agreement to transport newspapers.

Corrections In Little League Pics

In the caption for last week's picture of the Braves Little League team, the names of Joe Don Jeffrey and Jesse Willis, players, and Johnny Jeffrey, coach, were not listed. They were not pictured.

Also in the Cardinals' picture, the name of Gordon Roberts was left out in identifying the players', and James Cork and George Campbell, who work with the team, were not mentioned. They were not pictured.

Infestation of Sunflower Insects Noted In County

Heavy infestations of Sunflower insects were noted this week in many Jones County fields according to word today from County Agent Kirby Clayton. Fields checked in the

Stamford Tuxedo area by area Entomologist, Emory Boring and County Agent Kirby Clayton revealed heavy infestations of the head moth larva.

These larva are tunneling into the seed and destroying entire seed heads. In some fields the girdler had girdled the plants and caused severe lodging.

Control of the head moth should start when the field

reaches 25 percent bloom, provided infestation is present. Fields should be checked regularly to determine when infestation occurs.

The spray program includes three applications of methyl parathion at the rate of one pound per acre on a 5-7 day interval. All early plantings checked show some signs of infestations, says the agent

WINS 10-SPEED BIKE—Jesse Helms, six-year-old son of Mr. and Mrs. Charles Helms, beams with excitement after receiving his 10-speed bike in the Full of Fun ICEE contest Thursday at Pied Piper Grocery. Jesse had been saving Icee Bear Points and entering the contest since it started in May. With him are his sister, Belinda, 7, who is also saving Icee Bear points and entering the contest, his mother, Mrs. Charles Helms, center, and Mrs. Ester Hastings of Pied Piper Grocery, Hamlin's only ICEE dealer. Mrs. Hastings said that two winners will be announced each week through Sept. 29, one girl winner and one boy winner. The drawing is held in the main office of Texoma Icee, Inc. by the president of the company. (Adv.)

Dana Wright, Keith Jackson Exchange Vows Here Saturday

Dana Delaine Wright and Keith Wayne Jackson, both of Abilene, were married here Saturday evening in the First Baptist Church with the pastor, the Rev. Howard Jones, officiating.

The bride is the daughter of Jerry Wright of Coral Springs, Fla., and Mrs. Dennis Dunlap of Abilene. Parents of the bridegroom are Mr. and Mrs. Delton Jackson of Hamlin.

Mrs. Lynn Mink was organist and Lana Self was pianist. Soloists were Lynn Mink and Steve Evans.

Jaye Wright of Abilene, sister of the bride, was maid of honor. Bridesmaids were Diane Ford and Luann Shira.

Leslie Dunlap of Abilene, sister of the bride, and Kelly Cooper, cousin of the bridegroom, were flower girls.

Gary Lee Cooper, cousin of the bridegroom, was ringbearer.

Marty and Ty Dunlap, brothers of the bride, both of Abilene, were candle lighters.

Kyle Jackson, brother of the bridegroom, was best man. Cliff Sims of Mineral Wells and Frank Shearer were groomsmen.

Ushers were Stanley Colley and Bennett Driver.

Presented in marriage by Mr. Dunlap, the bride wore a traditional white satin gown with Victorian neckline accented with accordin pleated ruffle. The skirt and train were trimmed with cluny lace with ribbon inserts. The fingertip veil was attached to a headpiece of cluny lace with ribbon insert and accordin pleated ruffle. A cameo pendant worn by the bride belongs to her maternal grandmother. A handkerchief with tatting trim was her maternal great-grandmother's.

Bridesmaids gowns of green, pink and yellow sheer over crepe were fashioned with fitted bodice, inset waistband, and self ruffle at neck outlined with ribbon. They wore garden hats which matched their dresses.

The flower girls wore orchid and blue to carry out the rainbow colors chosen by the bride.

Mr. and Mrs. Dunlap hosted the reception at the church.

After a wedding trip to Brownwood the couple will be at home in Abilene at 949½ Mulberry.

Bridge Winners

Mrs. W. L. Hunter Jr. and Mrs. W. L. Willbanks were first place winners in the Tuesday evening competition of the Hamlin Duplicate Bridge Club. Taking second place honors were Mrs. Barry Moore and Dale Lain. Mr. and Mrs. Ray Sonnenburg were third place winners.

Both are 1974 graduates of Hamlin High School.

The bride, a graduate of Hendrick Memorial Hospital School for Medical Record Technicians, is employed by Hendrick Memorial Hospital Medical Records.

The bridegroom is a

sophomore at Hardin-Simmons University where he is a member of the Cowboy band. He is employed by the U. S. Post Office.

Mr. and Mrs. Jackson, the bridegroom's parents hosted the rehearsal dinner at the Fellowship Hall.

FAMILY LIFE EDUCATION—

Experiences Affect Development

Day-to-day experiences influence a child's physical, emotional, social and mental development. Mrs. Nacy Wilburn, County Extension Agent noted this week.

"All experiences from birth affect and determine what a person will become—and parents play a large role in these experiences.

"Each person is unique—and must be himself. He needs to feel good—confident and able—about himself. Children grow strongest, happiest and healthiest this way," she said.

"Wise parents grow and learn with their children. They learn to relax and let a child be himself—to grow in his own way, time and fashion."

However, parents and other adults should keep in mind the following facts concerning individual growth and development, the agent continued.

— No two children are

alike. Each differs in growth rate and pattern.

— Although uneven, growth is continuous and follows an orderly sequence or pattern.

— Each phase or stage of development has certain characteristics common to that particular stage of growth.

— As an infant develops a new power or capacity, he also develops an impulse to use that new power. "For example, after learning to walk, 12-16-month-old babies usually walk all over the place," Mrs. Wilburn added.

— Children at all ages and stages behave the way they do for a reason.

Heredity and environment also affect a child's development and behavior.

"For instance, a person's adult height depends on race, sex and family characteristics as well as how he's cared for, what he eats and whether he's happy or not," the agent concluded.

Phebean Class Installs New Officers Here

Members of the Phebean Sunday school class of First Baptist Church met in the church parlor last Wednesday afternoon for installation of officers for the coming year.

Mrs. Joe Cowan installed the officers using a ragout recipe as the theme. Each new officer was a certain necessity or ingredient for the recipe.

Officers are Mrs. J. A. George, teacher; Mrs. Jack Wright, assistant teacher; Mrs. Zelma Perryman, outreach leader; Mrs. Tom Gregory, assistant outreach leader; Mrs. Leona Carter, secretary; Mrs. Billye Goodman, assistant secretary; Mrs. Evalyn Bingham, card chairman.

Visitation committee consists of Mmes. Lillian Greer, Noel Weaver and H. H. McDonald.

Mmes. O. G. Harvey, Flossie Ferrell, A. G. Miller, Ben Parker, Lucy Mickler and George Wainscott are group leaders.

Hostesses for the social were Mmes. Henry Albritton, Bingham and Gregory.

Others present were Mmes. Mayme Deel, C. R. Crowley and B. W. Niedecken.

Pre-natal Class Set In Anson

Dr. Salvador Torres of the Anson General Hospital will be the speaker at a pre-natal class Monday, July 7, in the Fellowship Hall of the Anson Church of Christ.

Class will begin at 7:30 p.m., according to Nacy Wilburn, county extension agent.

TERRY LYNN PRICE
... sets wedding date

Terry Price, Charles Shira Plan Wedding

Mr. and Mrs. James Martin Price of Houston announce the engagement and approaching marriage of their daughter, Terry Lynn, to Charles William Shira, son of Mr. and Mrs. William Ezra Shira of Hamlin.

The couple will be married at 3 p.m. Saturday, Aug. 9 in St. John's United Methodist Church in Lubbock.

The bride-elect is a graduate of Northland High School in Columbus, Ohio, and attended Stephen F. Austin University, Nacogdoches. She is a graduate of Texas Tech University, Lubbock.

Her fiancé, a Hamlin High School graduate, attended Baylor University, Waco, and graduated from Texas Tech University. He is employed by the State Department of Public Welfare as an auditor in the Lubbock regional office.

Hennington Named Artist

R. B. Hennington has been named artist of the month and his paintings in water color and acrylics are on display at the Hamlin Art Gallery during July.

He has been painting as a hobby since his retirement from the postal service. He has studied under John Crump, Ned Moore Jr. and Dr. Sherwood Suter, art professor at McMurry College.

The public is cordially invited to view the paintings Sunday afternoon July 6 from 2 to 4 p.m. or any day during the month of July. The gallery is open Monday through Friday 9:30 a.m. to 5 p.m.

Mrs. Kitchen Hosts Friends Class Meeting

Mrs. J. D. Kitchen was hostess for the Monday evening meeting of Friends Sunday School Class of First Baptist Church when members planned the year's activities and elected officers.

Elected were Mrs. Albert Haught, elected teacher, Mrs. H. L. Ford, assistant; Mrs. Charles E. Pearce, outreach leader; Mrs. J. E. McCoy Jr., assistant; Mrs. Herman Sharer, secretary-treasurer; Mmes. J. O. Murphree, Paul Becker, Elbert Payne and Kitchen, group leaders.

Refreshments of cake and punch were served to those mentioned and Mrs. Bill Shira.

Rebekah Class Thanks Expressed To Hamlin People

To the good people of Hamlin,

Please accept our sincere thanks for the many expressions of sympathy and condolence, and for the floral offerings during the recent illness and subsequent demise of our father, Jewell S. "Jim" Dickey. I'm afraid we weren't really aware of how wonderful he was until so many of you reminded us. We only knew that he was an outstanding father and husband.

Our special thanks to the staff at the hospital and the nursing home, and to Gracie and the folks at the Bluebonnet Cafe for caring a lot more than duty required.

"Diz" Dean and a lot of others certainly tried to make his last days more enjoyable.

He was a proud man who left a heritage his sons will have a hard time living up to. He had a fierce pride in being a native West Texan, and he was justifiably proud of you folks, his friends and associates. My brother and I are better people for having been exposed to you for even a short time. We are both convinced that we might like the weather out here better, and because our immediate families and ties are out here, we will continue to live out here, but there are most certainly no better people in the world than folks from West Texas.

Sincerely,
Aubrey Dale and Joe Don Dickey

THE HAMLIN HERALD

WILL BE CLOSED

FOR VACATION

JULY 4 - 11

FROM THE FILES . . .

FIFTY YEARS AGO
(July 3, 1925)

There are two good reasons why we ask our readers to pardon this week's Herald. First the Editor and family were out of town for four days on a little outing. Second, the 4th of July comes on Saturday and the business men are not telling you much about their store news.

Wednesday morning and afternoon quite a number of localities received good showers. In the Rule community a three-fourth inch rain fell Wednesday morning and in the afternoon showers fell between Hamlin and Stamford, reaching over quite a bit of territory. In the Flat Top section a heavy rain fell and cotton and feed rows were full. Farmers up there are jubilant over the prospects for a bumper feed crop.

Last Sunday morning the Methodist church voted to give their pastor a vacation during the month of July. He and his family will leave July 6, and Mrs. Palmer and children will spend the time with her parents, near Canadian, Tex. Rev. Palmer will go on to Denver, Colo., where he will take a two-week course of study in the University of Denver. They will return about the last of July.

One of Hamlin's most substantial business houses is nearing completion. It is the Wilson Garage, and this structure embodies all the best in modern construction and is 50 by 140 feet. When finished, it will be one of the best Ford Motor Co. houses in this part of the state. Here any Ford can be rebuilt or made new when all equipment is installed.

Just across the street north of the Herald Office, Estes & Boyd are beginning a modern drive-in filling station. These men have been busy for several weeks clearing the lot of the old bank building and now within a few days brick will be laid and a beautiful place will be ready for business.

TWENTY YEARS AGO
(July 1, 1955)

No special swimming program is being planned for Splash Day Thursday, at the opening of the new Hamlin swimming pool, announces Jess Parrish, manager of the pool under lease agreement from the Hamlin Foundation. Because of possible congestion of the pool with the hundreds expected to be trying out the water, Parrish says contest and other features will be postponed until a later date. However, a formal opening and celebration is being planned for the near future. In connection with the naming of a bathing beauty queen, various swimming and diving contests will be planned for swimmers of all ages, Parrish indicates.

Hamlin's fire loss record for the year 1955 so far has been a bad one, a review of the sustained losses by Fire Marshal T. W. (Mickey) McGuire reveals. The losses for the first six months of the year already exceed the annual five year average of \$15,000 plus, which included the disastrous oil mill fire of 1952. Fire losses for the January through June period this year totaled nearly \$24,000. Two big fires responsible for most of this loss were the Paul Bryan Lumber Company and the Hassen Dry Goods Company. Five major fire alarms have been answered by the Hamlin Volunteer Fire Department in 1954.

Thursday was push-off day for one of the happiest bunches of young men and adult leaders you could find. Abilene was the embarkation point, and the Canadian wonderland was the inevitable destination. There were about 30 in the group of senior Boy Scouts and their adult leaders. Four Hamlin young men and an adult leader were among the band that boarded an air conditioned bus for the 4,000 mile round trip. They were L. R. (Red) Fowler Jr., Dee Prewitt, Don Adair and Joe B. Stephens Jr., who are members of the Hamlin Explorer Post No. 43, sponsored by the Hamlin Rotary Club and Roy Dunlap, city coordinator, who will accompany the quartet.

TEN YEARS AGO
(July 1, 1965)

Libby Schultz, 17-year-old daughter of Mr. and Mrs. Doug Schultz, was chosen 1965 Rodeo Queen at the final performance Saturday evening of the three-day show. Miss Schultz, sponsored by Feagan Oil Co., was in competition with 12 other teenage girls. She will reign during the 1966 rodeo next summer. Other winners and their sponsors were: Patricia Feagan, Hamlin Flower Shop, second; Sharee Nail, Turner-Nail Insurance Agency, third; Pamela

Holtz, Bishop's Flowers and Kathy Cronk, Brenda's Beauty Shop, tied for fourth.

Mr. and Mrs. Harry Yates of Stamford were first place winners at Tuesday evening meeting of the Hamlin Duplicate Bridge Club. Mrs. G. W. Comegys and Mrs. Holly Toler were second and Mr. W. L. Hunter Jr., and Mrs. W. O. Willbanks were third.

Mrs. Ruby Joyce Harden of Fort Worth, a graduate of Hamlin High School has been granted a fellowship at Texas Christian University for the academic year of 1965-66. Holder of a bachelor of arts degree in speech from Texas Tech University, Mrs. Harden will be working toward her master of arts degree in speech.

Ben Niedecken, County Attorney of Jones County, has been elected the new president of the Jones County Tuberculosis Association. New officers elected to serve with him are: Leldon Clifton, Hamlin, first vice president; R. T. Taylor, Avoca, second vice president; Miss Hesta Harris, Anson, treasurer; Mrs. Ona High, Stamford, state board director.

NEWS AND VIEWS . . .

And What Have You

— Continued from page One

Thai foot-boxing between the Tapping (Michigan) Toes and the Achilles (Virginia) Heels to be staged in Perth Amboy, New Jersey, by 1980.

But by then the hustled sports fan will be too numb to notice, wrung out by pre-season games, post-season games, and playoffs-of-playoffs, to say nothing of bimonthly duels between kings of shuffleboard in the Astrodome and Caesar's Palace.

Complaint No. 2: Sports have become so professional, so much a question of business, that the old romantic sounds (e.g., crack of bat against ball) are drowned out by the pervasive ringy-ding-ding of the cash register. Not so very slowly all the games for money have turned into one Money Game.

The tape is no longer applied to measure record home runs but record contracts — down to the smallest of the seven figures.

One looks at a superstar in almost any sport and one sees a small corporation impersonating an athlete.

You want an autograph, kid? Make an appointment with my agent.

Complaint No. 3: A new ugliness characterizes sports as they (and their profits) have multiplied. More violence on the playing fields. More violence in the stands.

Referees have become regular targets for near-pathological abuse.

The mock hatred directed toward other teams' stars appears less mock and more hatred.

Are sports being misused to express the mob emotions of a disturbed time?

Here a little history may become appropriate. Take complaint No. 1 of the blab victim — too much sports. In Rome the ludi (games) began as a public festival of about two weeks in September. But as the years passed, the ludi diversified and the schedule expanded into other months, occupying, for instance, 17 out of 29 days in April.

And (complaint No. 2) the pots of gold swelled proportionately. They money spent on the ludi was increased by more than a third in just one year (217 B.C.) inevitably changing the nature of sports (complaint No. 3) in the direction of violence.

In the beginning, chariot-racing was to the Romans what baseball has been to Americans: the national sport. Crowds of 150,000 would watch the big races.

But then came the wild beast shows. People bought tickets to see animals kill animals. And at last the gladiators arrived. A taste for pain became synonymous with a taste for action.

Has America come to its time of bread-and-circuses? Oswald Spengler compared the Circus Maximus of Rome with the sports stadiums of Berlin in 1914 and declared that, in both cases, a civilization was proving itself "sterile" — titillating sensationally toward one final yawn.

The comparison is a bit too easy. Still, those who reject the "Decline-of-the-West" scenario should take small comfort from the evidence that in 1975 (as in 217 B.C.) people are becoming more and more bored with their escapes-from-boredom.

The STRENGTH
of a Nation . . .

At this time, our thoughts are turned to our nation and the war that was fought to bring freedom to our land. Pictured here is a monument to the leader of our people at that time. The people were willing to give their lives that we might be free from tyranny, and have the right to worship as we please. God was with us then as he was with the children of Israel when Moses led them from Egypt. Upon receiving their freedom they sang . . . "The Lord is my strength and song, and he is become my salvation; he is my God, and I will prepare him an habitation; my father's God, and I will exalt him." Exodus 15:2

Help keep our Nation strong by relying on the strength of the Lord. Attend Church Regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

New Directories Use Bicentennial Theme

The Bell System's Bicentennial telephone directory cover makes one of its first West Texas appearance on the newly-delivered directory for Hamlin, Anson and Stamford.

"It's a Happy Birthday, America, present from the Bell System and Southwestern Bell," said Bud McCasland, manager for Southwestern Bell.

Featured on front and back covers of the directory are four-color likenesses of 26 characters representing figures from American history, images of family and friends and mythical personalities. All are, appropriately, talking on various styles of telephones.

The cover faces range from

Benjamin Franklin to Abraham Lincoln to Shirley Temple to Jackie Robinson. There's also the Statue of Liberty, an astronaut, Will Rogers, Norman Rockwell, George Washington, Marian Anderson and Uncle Sam—not to mention Alexander Graham Bell, Betsy Ross, Mark Twain and various others.

The cover is being used on Bell Company directories throughout the United States through the Bicentennial celebration.

The cover first appeared on the Washington, D.C., directory in April. The usage has just begun in Texas.

A complete identification of each of the 32 characters and a description of the phones they use is printed on the inside book cover of each directory.

The artist is Stanley Meltzoff of New Jersey, who did the art work under commission of AT&T. His art has appeared in most of the nation's major magazines.

Funeral Services Set Today for Mrs. Jackson, 83

Mrs. Henry (Ina) Jackson, 83, died at 6:55 a.m. Tuesday at the Holiday Lodge Nursing Home. Funeral services will be held today (Thursday) at 10 a.m. in the First United Methodist Church with the Rev. Marshall Stewart, pastor of the Church of the Nazarene, and the Rev. Jim Smith, Methodist pastor, officiating. Burial will be in the Hamlin Memorial Gardens directed by McCoy Funeral Home.

Mrs. Jackson, daughter of the late Mr. and Mrs. Swisher Rector, was born Jan. 31, 1891, in Roby. She married Henry Jackson in Rotan Sept. 3, 1916, and had been a resident of Hamlin since 1920.

She was a member of the First United Methodist Church. Survivors include her husband and one brother, Royce Rector of California.

Pallbearers are Bill Rountree, Dickie Ferguson, Raleigh Bond, Richard Young, Johnny Bryant and W. B. Cotten.

Mrs. Robert Perry To Head Local Fund Campaign

Mrs. Robert Perry, 1029 N. W. Third, has accepted the annual Breath of Life Campaign for Hamlin, according to an announcement made this week by Chuck Laurent, president of the Lone Star Chapter of the Cystic Fibrosis Foundation.

The campaign provides research and care programs for the millions of children affected by lung-damaging diseases such as Cystic Fibrosis, severe asthma, chronic bronchitis, bronchiectasis and a condition called "childhood emphysema."

JUDGE LEON THURMAN—Working On Family Land Heritage Program

AUSTIN — County Judge Leon Thurman is working with the Texas Department of Agriculture in registering area farmers and ranchers who qualify for honors in the Family Land Heritage Program for 1975.

The program gives recognition to those who have kept land in the family for 100 years or more, maintaining continuous agricultural operations, Agriculture Commissioner John C. White explained.

Last year over 560 families qualified for certificates and inclusion in the Family Land Heritage Registry, which contains brief histories of all the farms and ranches, the names of current owners, and

pictures of early settlers.

"The Texas Department of Agriculture has received many requests for the Registry—from universities, historians, and government agencies. It provides an interesting record of agriculture in the early days of Texas, as well as anecdotes about members of the families."

"We also included notations on the 100-year-old structures on the property, no matter what condition. This information can be invaluable to researchers," White stated.

"For this reason, we are trying to register all those who qualify—not only to give these people some recognition, but also to have a permanent record of pioneer agricultural producers in Texas."

Application forms must be certified by the county judge or his designate. They are then mailed to the Texas Department of Agriculture with any pictures of early settlers which can be copied and returned. Deadline is August 15, 1975.

Funeral Services Set Sunday for Laura Chappell

Funeral services for Laura Chappell, 74, will be held Sunday, July 6, at the Eastside Church of Christ at 2 p.m. with Rev. Holmes officiating. Burial will be in Hamlin East Cemetery under the direction of McCoy Funeral Home.

She died at 4:40 p.m. June 26 at Stamford Memorial Hospital. She was born Sept. 12, 1900 in Lee County, daughter of the late Mr. and Mrs. James Washington. She married Dave Chappell at Anson Dec. 8, 1965. She was a member of the Church of Christ.

Survivors include her husband, Dave; one brother, James Washington of Hamlin; two sisters, Sophia Gipson of California and Magnolia King of Roswell, N. M.

Pallbearers will be Sammie Williams, Bill Cork, Roosevelt Bolden, William Brown, Henry Bussey and James Cork.

Plainview Baptist Church Announces Homecoming Plans

Homecoming activities at Plainview Baptist Church, five miles north of Stamford, have been announced by the Rev. James Brigham of Hamlin, pastor of the church for the past three years.

An all day service of singing, preaching and visiting is planned beginning at 10 a.m. and continuing until 4 p.m. Dinner will be served at the church.

Rev. Brigham said, "As you come to our homecoming remember not only a church with a great past but one with a greater future."

During the past three years the size of the church has grown from attendance of about a dozen to 50 at Sunday evening services this week.

In recounting the history of the church, Rev. Brigham said that Jan. 15, 1933, the church met and agreed to buy the Bunker Hill tabernacle. It was purchased for \$79.00 and was moved at a cost of \$34.00 plus \$3.50 for gas and oil to operate the tractor.

The one-half acre of land where the church was placed cost \$19.00 and the first stove cost \$5.75. The tuning of the piano was \$21.25, he said. After rains came, the members felt a floor was necessary and paid \$23.00 down and arranged credit for the other \$37.00 for the floor to be laid. Other January expenses were a lock, five gallons of oil, a stove pipe and a broom, he said, for \$1.19. Seventy-eight cents were left in the church treasury.

In February, 1933, the church was dedicated and expenses paid in full.

Recent repairs to the church include remodeling and carpet. Contractors will soon begin work on a baptistry, Rev. Brigham said.

Brother-In-Law Dies Monday

Mrs. L. B. Maberry received word Tuesday that her brother-in-law, Luther H (Chick) Bond of Abilene, a retired Humble employee, died Monday enroute home from Michigan.

He married the former Ora Gillis of Hamlin. Funeral is pending in Abilene.

Agent Urges Early Season Control Over Wintered Boll Weevils

One or two applications of insecticides for control of over wintered boll weevils and other early season cotton insects could pay big dividends at harvest time, reports Jones County Extension Agent Kirby Clayton.

Fields inspected last week in the Funston and Truby areas revealed that cotton is already infested with the over wintered weevil and if allowed to go untreated, a new generation could emerge by the last part of July, causing destruction of much cotton in the bollweevil infested areas, he said.

"Early season insect control is aimed at killing off the over wintered weevils before cotton squares reach the one-third grown stage, thus preventing egg laying and development of a second generation of weevils. The early season program also controls fleahoppers and

thrips and allows the cotton to fruit early," Clayton said.

The first application should be applied when the cotton reaches 5½ weeks of age and before squares are one-third grown. A second application (7 days later) may be

required in the heavily bollweevil infested areas provided it can be done before bollworms normally appear.

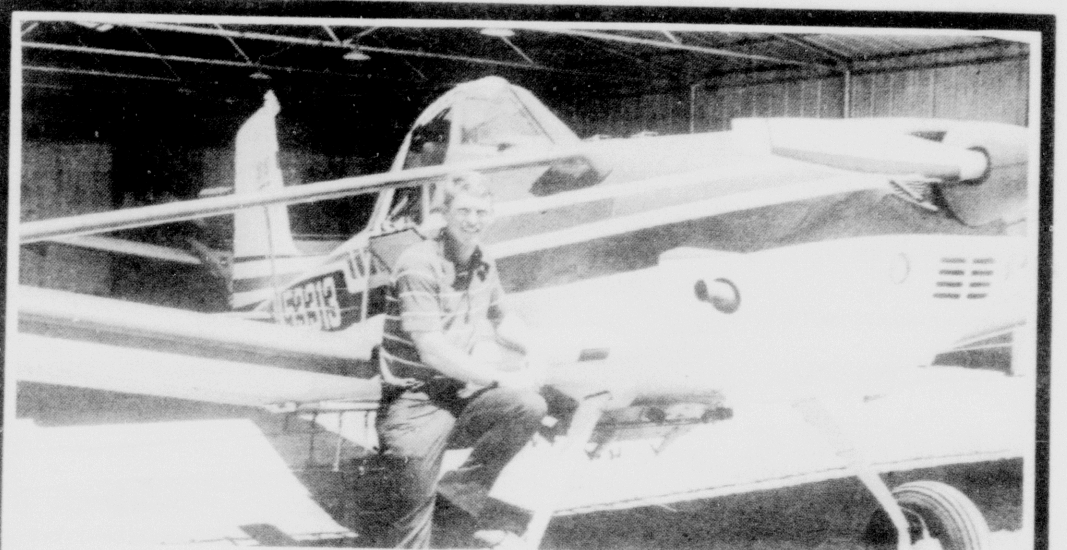

When early season control has been applied, Clayton recommends getting out of the field and staying out the entire season. The agent says its almost impossible to wage a successful "in season" insect control program. Applying early season insect control measures after July 10 could kill beneficial insects and result in a heavy bollworm infestation which is almost impossible to control, says the agent.

Peacock Annual Homecoming Set Sunday, July 13

The annual Peacock Homecoming Reunion will be held Sunday, July 13, in the Community Center in Peacock. A barbecue meal will be offered for \$2.50 per plate, with serving to begin at 12:30.

Neinda Philosopher Figures Out Way to End Unemployment—But One Item Missing

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One struggles with an idea this week, you might say.

Dear editor:
As Calvin Coolidge used to say, the cure for unemployment is more jobs, but of course the rub is, how can you create more jobs?

I have given this some

thought and I believe what we need is a sensational new invention that'll take the country by storm. We just can't rely on the old ones anymore. I mean, take cars. Sure, making cars provides a lot of jobs but there's a limit to it, as Detroit is beginning to see. Or take clothes. Changing women's styles every year helps employment in the garment industry, just as convincing men that wide-flaired trousers are in right now but narrow ones will be back before the wide ones are worn out. Same thing goes for ties. Also, I've always thought that the plumbers let the economy down when they didn't try to persuade homeowners that styles in bathtubs and other bathroom items should change every spring. Bring out a new model tub every year in different colors and hood design and have people embarrassed to be using last year's mode. The piano people made the same mistake. I know people who've had the same piano for 50 years. With violins it's even worse.

the grown-ups get to watch what they want.

Clearly, the answer to 9 per cent unemployment is some new invention I haven't been able to think up. Oh, I thought of a few, like air-conditioned lawnmowers or TV screens as big as one side of a room so you can see the entire football field instead of the rear end of the quarterback, but those are stop-gap half-measures. Not enough universal appeal.

In the mind of some lonely inventor or abstract-minded scientist working late in some laboratory there must be lurking un-born some unheard-of idea which, once sprung on us, none of us can live without, and the production of which will create thousands and thousands of jobs. Don't worry, we'll find the money to buy it with somehow, and full employment will be at hand.

Has President Ford thought of offering a big prize for such an idea? The election is only about a year away.

Yours faithfully,
J. A.

Waste Paper Pickup Offered On Wednesdays

The Hamlin Board of Community Development is now offering a free pickup service for waste paper on Wednesday afternoons, according to Mrs. Peggy Bonds, executive secretary.

Anyone wishing to donate their waste paper to the BCD paper drive may call the BCD office, 576-3501, and the old papers will be picked up on Wednesday afternoon, Mrs. Bonds said.

Funds raised by the BCD through its waste paper drive are used to support the Hamlin Day Care Center.

Mr. and Mrs. Frutoso Carreon Jr. of Roby are parents of a boy, Frederic, 9 lbs. born at 12:45 p.m. June 28. The couple has one other child, Candida, 4.

CARD OF THANKS

We would like to take this opportunity to thank each and everyone for all the prayers, food, flowers and the many many other acts of kindness during our sorrow. There was so much food brought in without names. We want all of you to know we appreciated it. We especially thank all the nurses, Dr. Hymer and Dr. Smith for all they did and for being so wonderfully kind to Bill. Our special thanks to Bro. Stewart and Bro. Norton.

Reddy's helpful tips for your Room Air-Conditioners

- Set air-conditioner to maintain a slightly higher temperature than you might normally; each degree cooler than 78 uses substantially more energy.

- Clean the filter regularly.

- Close draperies, blinds and use shades or awnings on all windows exposed to sun.

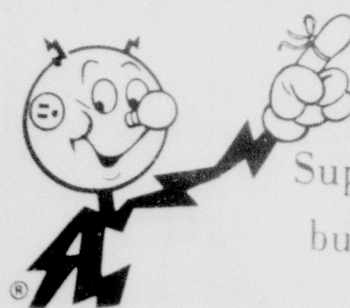

- Use appliances that give off heat (ovens, dishwashers, dryers) during cooler times of the day.

- Remember to keep outside doors, windows, and fireplace dampers closed. If you have window units, close the heating vents near the floor, as cool air falls and can escape through vents.

Savings Firm

To Offer SS

Direct Deposits

Sweetwater Savings Association will have the necessary government forms in July to help Social Security recipients have their benefits deposited directly into any Sweetwater Savings office savings account, according to Ed Aiken, Jr., president of Sweetwater Savings.

Beginning in September Social Security recipients can have the government deposit their checks directly into any financial institution the recipient chooses. The direct deposit program, which has already been tried in Florida

After being notified by the government that the program is underway locally, the recipient may get the necessary form from a local savings association or bank. "We feel the direct deposit program offers many benefits for Social Security recipients," Aiken stated. "First, it is completely safe since the funds are mailed directly to the financial institution and deposited directly to the recipients account. This is particularly helpful when the recipient is out of town. There is no risk of the funds being stolen from a mail box or home."
